Hello! We are in search of a senior volunteer who has wonderful listening ears. Our kiddos are getting better at reading out loud, and we would like to have someone come over and listen to them reading. It sounds so simple, but will make a very large impact. Our kids are homeschooled, and their grandparents do not live very close to be able to come over every week. If you or someone you know has an hour or two free during the day once or twice a week, please reach out to me.
